The Contract Price includes, if applicable, only those Alternates accepted by the Authority, as identified in paragraph 5.3 below.

5.2 The Unit Prices and associated estimated quantities included within the Contract Price are attached hereto and made a part hereof as Schedule A.

7.3 Any waiver by the Authority of any provision of the Contract Documents must be specific and in writing, and shall apply only to the particular matter concerned and not to other similar or dissimilar matters. Any waiver of any breach of the Contract Documents shall not be held to be a waiver of any other breach. Neither the failure of the Authority to exercise any power given to the Authority under the Contract Documents or to insist upon compliance by Contractor with Contractor's obligations under the Contract Documents, nor any custom or practice of the Authority and Contractor at variance with the terms of the Contract Documents, shall constitute a waiver of the Authority's right to demand full and complete compliance by Contractor with the terms and provisions of the Contract Documents.

7.4 Nothing contained in the Contract Documents shall in any manner authorize, empower or constitute Contractor, its Subcontractors or Suppliers as agent(s) of the Authority; authorize or empower Contractor, its Subcontractors or Suppliers to assume or create any obligation or responsibility whatsoever, express or implied, on behalf of or in the name of the Authority; or authorize or empower Contractor, its Subcontractors or Suppliers to bind the Authority in any manner or make any representation, warranty, covenant, agreement or commitment on behalf of the Authority. Contractor shall perform all Work under the Contract

Documents as an independent Contractor. This Agreement does not create, and shall not be construed as creating, any rights enforceable by any person not a party to the Agreement.

7.5 This Agreement and the Contract Documents shall be governed by and construed in accordance with the Laws and Regulations of the State of Florida without giving effect to any rules governing conflict of laws.

7.6 The parties agree that for any litigation arising under the Contract Documents, venue shall be only in Alachua County, Florida.

7.7 The Authority's payment to Contractor of any progress or final payment shall not release Contractor of any liability and shall not be deemed evidence of performance or be construed as an acceptance of defective or improper Work, or Work that does not comply with the requirements of the Contract Documents.

VIII. DEFINITIONS

8.1 Defined terms used in this Agreement have the intent and meanings assigned to them in the General Conditions, Article I. Definitions.

IX. ENGINEER/AUTHORITY'S REPRESENTATIVE

X. PUBLIC ENTITY CRIME STATEMENT

10.1 In accordance with the requirements of Section 287.133, Florida Statutes, the following statement is hereby made:

"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a Contract to provide any goods or services to a public entity, may not submit a bid on a Contract with a public entity for the construction or repair of a public building or public Work, may not submit bids on leases of real property to a public entity, may not be awarded or perform Work as a Contractor, Supplier, Subcontractor, or consultant under a Contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 for CATEGORY TWO for a period of thirty-six months from the date of being placed on the convicted vendor list."

XI. INSURANCE

11.1 **RESPONSIBILITY FOR DAMAGE CLAIMS.** The Contractor shall indemnify and save harmless the Engineer and the Authority, City of Gainesville and their officers, and

employees from all suits actions, or claims of any character brought because of any injuries or damage received or sustained by any person, persons, or property on account of the operations of the Contractor; or on account of or in consequence of any neglect in safeguarding the work; or through use of unacceptable materials in constructing the work; or because of any act of omission, neglect, or misconduct of said Contractor; or because of any claims or amounts recovered from any infringements of patent, trademark, or copyright; or from any claims or amounts arising or recovered under the "Workers Compensation Act," or other law, ordinance, order, or decree. Money due the Contractor under and by virtue of his/her contract as may be considered necessary by the Authority for such purpose may be retained for the use of the Authority or, in case no money is due, his/her surety may be held until such suit or suits, action or actions, claim or claims for injuries or damages as aforesaid shall have been settled and suitable evidence to that effect furnished to the Authority, except that money due the Contractor will not be withheld when the Contractor produces satisfactory evidence that he is adequately protected by public liability and property damage insurance.

11.2 The Contractor shall not commence any work until he obtains, at his own expense, all required insurance. Such insurance must have the approval of the Authority as to limit, form, and amount. The Contractor will not permit any subcontractor to commence work on this project until the same insurance requirements have been complied with by such subcontractor.

- a. Types – The types of insurance the Contractor is required to obtain and maintain for the full period of the contract will be: Worker's Compensation Insurance, and Comprehensive General Liability Insurance, as detailed in the following portions of this specification.
- b. Evidence – As evidence of specified insurance coverage, the Authority may, in lieu of actual policies, accept certificates issued by the insurance carrier showing such policies in force for the specified period. Each policy or certificate will bear an endorsement or statement waiving right of cancellation or reduction in coverage without 10 days notice in writing to be delivered by registered mail to the Authority. Should any policy be canceled before final payment to the Authority to the Contractor and the Contractor fails immediately to procure other insurance as specified, the Authority reserves the right to procure such insurance and to deduct the cost thereof from any sum due the Contractor under this Contract.
- c. Adequacy of Performance – Any insurance bearing on adequacy of performance shall be maintained after completion of the project for the full guaranty period. Should such insurance be canceled before the end of the guaranty period and the Contractor fails immediately to procure other insurance as specified, the Authority reserves the right to procure such insurance and charge the cost thereof to the Contractor.
- d. Payment of Damages – Nothing contained in these insurance requirements is to be construed as limiting the extent of the Contractor's responsibility for payment of damages resulting from his operations under this Contract. The costs of all insurance shall be included in the various items of the contract and no additional compensation will be allowed.
- e. It is expressly understood by Contractor that the receipt of any required insurance certificate(s) by Authority hereunder does not constitute agreement that the insurance requirements of this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements of this Agreement or GACRAA's minimum standards. Further, the failure of Authority to obtain certificates or other evidence of insurance from Contractor shall not be deemed a waiver by Authority. Nonconforming insurance shall not relieve Contractor of its obligation to provide the insurance specified herein. Non-fulfillment of the insurance conditions by Contractor hereunder may constitute a material breach of the Agreement and the Authority retains the right to suspend the Agreement until proper evidence of insurance is provided or, in the

continued absence of such evidence of insurance, to terminate this Agreement, at the Authority's sole discretion.

11.3 WORKMEN'S COMPENSATION INSURANCE. Before the Agreement between the Authority and the Contractor is entered into, the Contractor shall submit written evidence that he and all subcontractors have obtained, for the period of the Contract, full Worker's Compensation Insurance coverage for all persons whom they employ or may employ in carrying out the work under this Contract.

This insurance shall be in strict accordance with the requirements of the most current and applicable state Worker's Compensation Insurance Laws.

11.4 COMPREHENSIVE GENERAL LIABILITY INSURANCE. XIII. TITLE VI CONTRACT REQUIREMENTS

During the performance of this contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to as the "contractor") agrees as follows:

1. **Compliance with Regulations.** The contractor shall comply with Regulations relative to non-discrimination in federally-assisted programs of the Department of Transportation (hereinafter, "DOT") Title 49, code of Federal Regulations, part 21, as they may be amended from time to time (hereinafter referred as the "Regulations"), which are herein incorporated by reference and made a part of this contract.
2. **Nondiscrimination.** The contractor, with regard to work performed by it during the contract, shall not discriminate on the grounds of race, color, national origin, in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor shall not participate either directly or indirectly in the discrimination prohibited by § 21.5 of the Regulations, including employment practices when the contract covers a program set forth in appendix B of the Regulations.
3. **Solicitations for Subcontracts, Including Procurements of Material and Equipment.** In all solicitations either by competitive bidding or negotiations made by the contractor for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the contractor of the contractor's obligations under this contract and the Regulations relative to non-discrimination on the grounds of race, color, or national origin.
4. **Information and Reports.** The contractor shall provide all information and reports required by the Regulations or directives issued pursuant thereto and shall permit access to its books, records, accounts, other sources of information and its facilities as may be determined by the Recipient of the Federal Aviation Administration (FAA) to be pertinent to ascertain compliance with such Regulations, orders, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information, the contractor shall so certify to the Recipient or the FAA, as appropriate, and shall set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance.** In the event of the contractor's noncompliance with the non-discrimination provisions of this contract, the Recipient shall impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the contractor may request the Recipient to enter into such litigation to protect the interests of the Recipient and, in addition, the contractor may request the United States to enter into such litigation to protect the interests of the United States.
